M40 | Computerized Engraving System

You asked for a computerized engraving system that was easy-to-use, versatile and economical - and we delivered with the new series of M40: the M40-Deep Vise, and M40 Gift. With features such as a 12 x 8" engraving area, super simple software, small machine footprint and excellent engraving quality, the M40 computerized engraving system gives you what you need to run your retail business.

The M40 is ideal for:

- Trophy Plates • Plaques
- Corporate Awards
- Plastic or Metal Badges
- Jewelry • Gift Items
- Lighters • Pens • Signage

Versatile, add the pen attachment accessory for engraving pens and/or the cylinder attachment for engraving round and curved items..

M40 | Deep Vise

Economically engineered with an 8" x 12" engraving area. Includes red laser pointer for easy no measuring set-up and engraving verification.

M40-DV \$ 8,275 US

M40 G

Versatile machine for quick change from flat to cylindrical work. 8" x 12" engraving area. Handles up to 6.7" diameters. Comes complete with coolant recirculation system to prolong cutter life when engraving glass. Includes red laser pointer for easy no measuring set-up.

M40-G \$ 17,103 US
